

“Management is doing things right  
– Leadership is doing the right  
things” by Peter F. Drucker

“A leader is one who knows the way, goes the way, and shows the way” by John C. Maxwell

“Leaders must be close enough to relate to others, but far enough ahead to motivate them” by John C. Maxwell

“If your actions inspire others to dream more, learn more, do more and become more, you are a leader” by John Quincy Adams

“Innovation distinguishes between  
a leader and a follower” by Steve  
Jobs

A leader must be visionary,  
educator, innovator, motivator,  
communicator, facilitator, advisor...
