

## The Value Wheel

Follow the steps below to complete the Value Wheel activity with your team:

1. Individually, write down 4 values you think are essential for a successful team. Use post-it notes or the chat box if working online.
2. Share your values with your team and eliminate any duplicates.
3. As a team, discuss and negotiate which values are the most important to your group.
4. Narrow your list down to 8 values that reflect your team's shared beliefs and principles.
5. Place your 8 chosen values around the Value Wheel (see template below).
6. For each value, rate its importance to your team on a scale of 1 to 10 and discuss why.
